

Winterfest Cardboard Sled Family Build Night

Mary A. White Elementary

Friday, January 26

5:00-8:00 P.M.

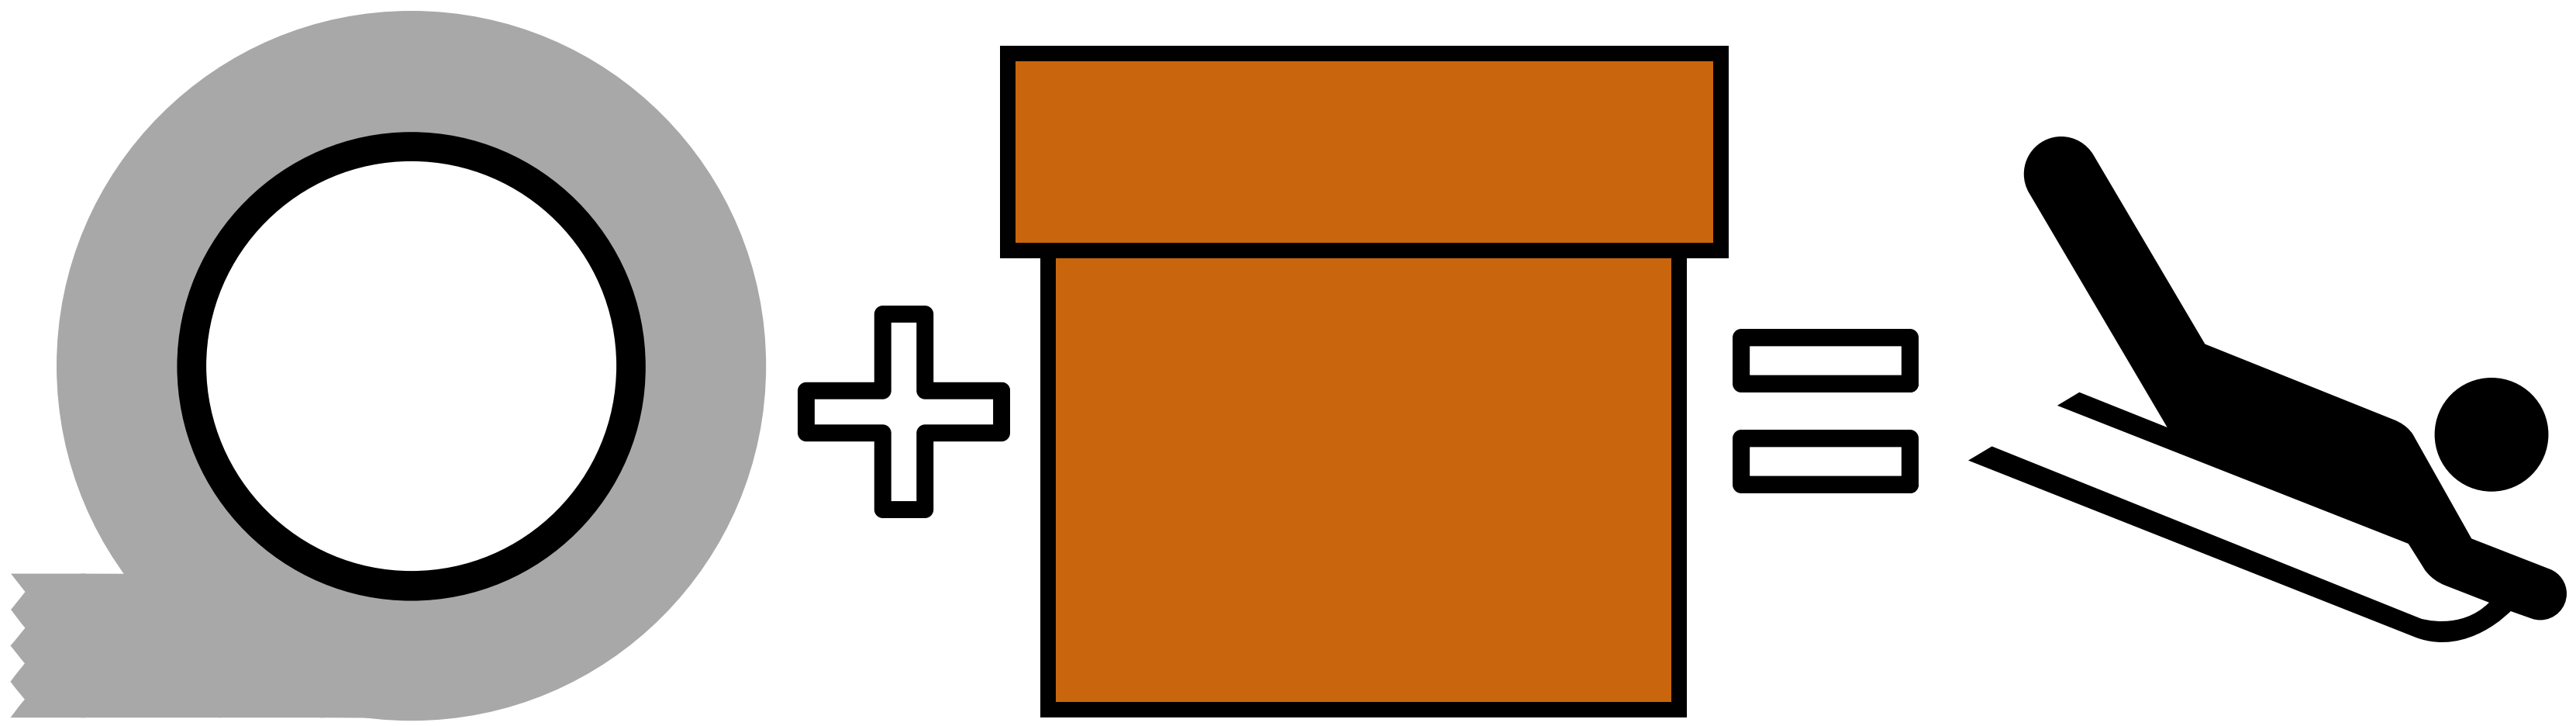

Kids of all ages welcome

Cardboard and building materials provided

Bring a roll of duct tape and ideas for your design if you
wish!

<https://winterfestmi.org/>

Winterfest Cardboard Sled Ideas

Have students design and test a sled for you (their teacher)

Prototype, test, and race mini sleds out of small pieces of cardboard

Have students design and test a sled that best represents their class

Schoolwide cardboard sled race (it would be hilarious if the staff raced sleds students designed)

Invite students to be a part of the cardboard sled build night

Group students and have each group design the fastest (or slowest) cardboard sled
